Day 1

After an eventful time in Heathrow the group eventually arrived at Athens in the late evening. Quickly dispatched to get some food and drink, we then set off for the three hour drive up to the mountain resort of Kalavrita, in the northern Peloponnese. Once there everyone quickly went off to bed at about 12.30am.

Day 2

Kalavrita

After our breakfast we set off at around 9.30am after finding our first few butterflies near the buses. Namely a Large Tortoiseshell and a Lattice Brown - a nice start to the trip. Once in the buses our half hour drive to the plateau below Mount Chelmos gave us all a chance to see the area for the first time, daylight helping a lot! Our first stop at the pond and its meadows was very productive with many Black-veined Whites, the occasional Greek Clouded Yellow, many Blues to get to grips with and a good scattering of Skippers including a couple of Hungarian Skippers. With a cloudless sky and the rich diversity of butterflies it was a great way to start. Another of our stops found us with more Eschers, Greek Mazarine and many Silver-studded Blues.

After this walk we set off to our lunch spot, a leaking water trough. With a lovely Greek lunch laid out, the group set off finding what they could. Dozens of Silver-studded Blues with the odd Osiris and a brief Chelmos Blue. This being one of the endemics of the mountain, unfortunately only a few saw it as it flew off. Also gracing us were the odd Camberwell Beauty, numerous Clouded Apollos and an Eastern Dappled White. Above the lunch spot a juvenile Rock Thrush was seen together with a brief glimpse of a Tawny Pipit and plenty of Red-backed Shrikes - a bird we were all going to become very familiar with during the week. Before returning to our hotel, we stopped at the ski slopes where we saw a Lesser-spotted Fritillary and an Adonis Blue. Our last stop was back at the pond with

a brief Nettle-tree Butterfly and a Mountain Small White. Then back to the Hotel for a refreshing beer and then supper.

Day 3

Kalavrita

An early morning walk to the river to look for birds, Nightingales were seen, Cetti's Warblers calling, a Penduline Tit hiding in the willows, and a Great Reed Warbler singing in the reeds towards the bridge where we saw Red-rumped Swallows - a nice morning's start. A gathering of Beautiful Demoiselles near the river were sunning themselves and the butterflies were slow to move.

After a check of the moth trap with various Catacalids etc.....we set off for our morning's amble to head south into Epano Kambos. Walking from a puddle up the slope, the butterflies were hard to find as the wind was increasing but the birds provided a good alternative. Family parties of Spanish Sparrows, a few Red-backed, Woodchat and Lesser Grey Shrikes binkering about in the scattered trees. A brief view of a Sombre Tit, then a fabulous view of a male Black-headed Bunting, followed by a displaying pair of Long-legged Buzzards. Not a bad start for day of wildlife watching. Eyes down for a few minutes gave us a *Saga pedo* large green grasshopper. With the wind continuing we headed off to our lunch spot. In the shelter of the valley there were at last good numbers of butterflies for us to get our teeth into. We set off to the river and a very productive lick site which included dozens of Small Whites, Common Blues, the odd Persian Skipper, Eastern Wood Whites, Silver-washed Fritillaries, Great-banded Grayling, Nettle-tree Butterflies, a Grecian Copper, a couple of Anomalous Blues and much more. Once all the butterflies had been scared off by the photographers, the group assembled for another special Greek lunch! All around the site treasures were being found - many Silver-washed Fritilleries at the bridge, Purple and Ilex Hairstreaks and a few Southern White Admirals.

A little after lunch we had a last wander upstream but, not for long, as we all were affected by the wind-borne fur off the Oriental Plane trees. A soothing cool drink was needed, so off to Planitero, the source of the Aroanios River. Welcome shade and a drink was aided by the gentle rushing of the river below us. More to see with Lattice Browns, a few Large Tortoiseshells and a female Golden-ringed Dragonfly - *Cordulegaster picta* - ovipositing in the first gushings of the river. As time was getting on it was off to the plateaux. A track took us into a very productive area of meadows and fields with a wide range of species of all insects with a stunning large female grasshopper that fitted nicely in the hand (as yet no name sorry).

Back to the hotel late afternoon for a refreshing drink and supper.

Day 4

Kalavrita

An early morning walk by the river mainly to see what birds were around. They didn't disappoint - Red-rumped Swallows, a calling Wryneck and a singing Great Reed Warbler. The best sight was the thousands of red winged grasshoppers *Calliptamus italicus* and a fine Long-tailed Blue. Back for breakfast and then after the excitement of the previous evening's moth trapping, we headed out for our morning along the river, after plenty of moth photography

we set off slowly. There were many Eschers Blues and a lot of Ilex Hairstreaks around the *Quercus coccifera*, further on we had a pair of Anomalous Blues and some Balkan Marbled Whites.

As time was cracking on we set off for our lunch spot out on the plateau. As lunch was being prepared everyone disappeared into different directions coming back with various finds like a colony of Blue-spot Hairstreaks. Later as we walked along the track we saw a wide selection of species already seen plus a couple of Sloe Hairstreaks, Eastern Bath Whites and some very obliging Great Banded Graylings. With our water running out, the spring beckoned, so once there filling our water bottles, a Ripart's Anomalous Blue showed very well giving us all great views. Then off to our final part of the day back to the pond up the mountain. With the sun moving off, we got to grips with the few skippers and blues around. A Rock Bunting was drinking from a leaking spring and a Southern Swallowtail flew by quickly. Back to the hotel for our last meal and with time to pack for the next day.

Day 5

Kalavrita - Arachova

Change over day so our last look at the Brimstones and Cleopatras on the Jasmine. Once loaded, we set off at 8.30am to the coast at Egio and our ferry. Having arrived in plenty of time for a relaxing coffee, we then settled on our ferry for the 45 minute journey across the Gulf of Corinth. A short drive took us to a beach to have a chance to refresh ourselves in the sea. Over half of us took great pleasure in this as it was about 37°C at the time. The rest of the party wandered off unfortunately finding little, except a few Sardinian Warblers and the odd Rock Nuthatch. After this, lunch was had in a taverna in Galaxidi, very nice with the accompanying Lesser Kestrels and view over the harbour.

After lunch a short walk into the woods, the heat was draining and we found little except for a very nice Freyer's Grayling. The cool of the mountain was beckoning so off to Arachova we went. Dropping everyone off at the comfortable Santa Marina Hotel, some of us then set off for an evening walk behind the town. This proved very productive with us finding 30 species in 1 ½ hours, including Grecian Grayling, Oriental Meadow Brown and the odd Black Sooty Satyr. A good end to a long day, supper was very welcome and we all retired to our rooms.

Day 6

Arachova

Moths were the start of the day after a good nights trapping, then off for our day up Mount Parnassos. Our first scheduled stop was a small thistle patch which, to everyone's surprise, produced a continual flow of good species, starting off with some fine Cardinals and Silver-washed Fritillaries. Many blues including a fine female Meleager's Blue, a good scattering of other species including a Southern Grayling. After a while we set off to the ephemeral pond higher up the mountain, which unfortunately was nearly dry, this so, we managed to find Twin-spot, High Brown, Heath, Queen of Spain and Dark Green Fritillaries. Lower down the slope were some seven species of Helleborines, including two endemics to Greece. It was lovely to look through the valley to see the whole group off discovering their own special little finds. Then as time progressed lunch was in our minds.

By now we were on the slopes of Mount Parnassos, the sun beating down but a pleasant breeze blowing on us. Butterflies were around but difficult to see as they whizzed past, but Balkan Copper was a fine one. A party of

Alpine Choughs with accompanying Black Redstarts gave a good display across the valley. Mount Parnassos being well known for butterflies also has a very rich endemic flora too. Alas too little time for proper exploration of the higher slopes but a few good species were found, *Campanula rupicola*, *C. aizoon* with some bright pink *Geranium tuberosum* and the pink *Geranium macrorrhizum*. After a wander looking for very small butterflies we set off to another spring. Once we'd filled our water bottles, a few good butterflies were spotted including Hungarian Skipper, Eastern Baton Blue and Lesser Fiery Coppers, with these a couple of fabulous *Orthetrum ramburi* chasers entertained us. After a bit of shade, our last stop of the day was in the valley bottom, where a small spring crossed the road so out we popped to find Osiris, Mazarine, Ripart's Anomalous and Adonis Blues for a good start. A little walk later we stopped for the day and headed back to Arachova.

Day 7

Arachova

Off to Delphi this morning getting there by 9am having about three hours to our leisure at the site. It was very hot and humid, we all felt it today, but early on we all got to see a couple of fabulous Grass Jewels, the smallest European butterfly but very distinctive in flight and very beautiful when seen up close. It was one of the highlights of the trip for many, and in such a fantastic setting what could be better. After this we all wandered off finding Marbled White, Balkan Copper and various Graylings. From the ruins many Rock Nuthatches and a few Blue Rock Thrushes called and showed well, often to within a few feet, to accompany this were a party of chattering Alpine Swifts. Back near the buses at the Castalian Spring were a few Kreuper's Small White, White-banded Grayling and Tree Grayling were flitting about in the damp shade of the morning.

As we were heating up it was back to the hotel for some and a taverna lunch, the rest of us went for lunch on the plateau of Mount Parnassos. Some welcome shade and a good lunch preceded a walk to the rim of the valley with great views towards Galaxidi and later towards Arachova, no new species here but plenty of opportunity for a catch up on missed species of bird and butterfly. The odd Sombre Tit was still around as were a few Graylings, a Ripart's Anomalous Blue and a few Black Sooty Satyrs. After this we settled into our hotel for the evening, in preparation for packing for our return to the airport the next day.

Day 8

Arachova

We were all packed promptly and set off in plenty of time, good news as Olympic Airlines had decided in their wisdom to move the flight back by nearly 5 hours, well, plenty of food and a bit of drink later and we were off to London.

Report compiled by Toby Abrehart

Bird list

Common name	Scientific name	Day 2	Day 3	Day 4	Day 5	Day 6	Day 7
Grey Heron	<i>Ardea cinerea</i>				2		
Mallard	<i>Anas platyrhynchos</i>				Several		
Sparrowhawk	<i>Accipiter nisus</i>		2	1			1
Kestrel	<i>Falco tinnunculus</i>	1	2	1	2	1	several
Lesser Kestrel	<i>Falco naumanni</i>				30+		
Long-legged Buzzard	<i>Buteo rufinus</i>	2		3	1		2

Plant list

Scientific name	Common name
PTERIDOPHYTA	Ferns and Fern Allies
Equisetaceae	
<i>Equisetum arvense</i>	Field Horsetail
<i>Equisetum telmateia</i>	Giant Horsetail
Dennstaediceae	Bracken Family
<i>Pteridium aquilinum</i>	Bracken
Aspleniaceae	Spleenwort Family
<i>Asplenium ceterach</i>	Rusty-back Fern
GYMNOSPERMAE	CONIFERS
Pinaceae	Pine Family
<i>Abies cephalonica</i>	Greek fir
<i>Pinus pinea</i>	Umbrella Pine
<i>Pinus nigra</i>	Black Pine
Cupressaceae	Juniper Family
<i>Cupressus sempervirens</i>	Italian Cypress
<i>Juniperus oxycedrus</i>	Prickly Juniper
<i>Juniperus phoenicea</i>	Phoenicean Juniper
<i>Juniperus foetissima</i>	Stinking Juniper
<i>Juniperus excelsa</i>	Grecian Juniper
ANGIOSPERMAE	FLOWERING PLANTS
Dicotyledones	
Salicaceae	
<i>Salix alba</i>	White Willow
<i>Salix purpurea</i>	Purple Willow
<i>Salix caprea</i>	Goat Willow
Juglandaceae	
<i>Juglans regalis</i>	Walnut
Corylaceae	
<i>Corylus avellana</i>	Hazel
Fagaceae	
<i>Quercus coccifera</i>	Kermes Oak
<i>Quercus ilex</i>	Holm Oak
<i>Quercus frainetto</i>	Hungarian Oak
Ulmaceae	
<i>Ulmus glabra</i>	
Moraceae	
<i>Morus nigra</i>	Common Mulberry
<i>Ficus carica</i>	Fig

Scientific name	Common name
Urticaceae	
<i>Urtica dioica</i>	Common Nettle
<i>Urtica dubia</i>	
<i>Parietaria officinalis</i>	Pellitory-of-the-wall
Santalaceae	
<i>Thesium humifusum</i> sp	Bastard Toadflax
Amaranthaceae	
<i>Amaranthus alba</i>	White Pigweed
<i>Amaranthus retroflexus</i>	Pigweed
Anacardiaceae	Sumach Family
<i>Pistacia lentiscus</i>	Mastic Tree
<i>Pistacia terebinthus</i>	Turpentine tree
<i>Rhus coriaria</i>	Sumach
Molluginaceae	
<i>Gallium verum</i>	Lady's Bedstraw
<i>Galium mollugo</i>	Hedge Bedstraw
<i>Galium rotundifolium</i>	
<i>Valantia hispida</i>	
Caryophyllaceae	Pink family
<i>Cerastium glomeratum</i>	Sticky Mouse-ear
<i>Cerastium candidissimum</i>	
<i>Saponaria bellidifolia</i>	
<i>Saponaria calabrica</i>	
<i>Petrorhagia illyrica</i>	
<i>Petrorhagia velutina</i>	
<i>Silene gigantea</i>	
<i>Silene italica</i>	Italian Catchfly
<i>Silene congesta</i>	
<i>Silene vulgaris</i>	Bladder Champion
<i>Stellaria media</i>	Common Chickweed
<i>Agrostemma githago</i>	Corncockle
<i>Dianthus armeria</i>	Deptford Pink
<i>Dianthus serratifolius</i>	
<i>Dianthus deltoides</i>	Maiden Pink
Ranunculaceae	Buttercup Family
<i>Helleborus cyclophyllus</i>	Greek Hellebore
<i>Nigella damascena</i>	Love-in-a-mist
<i>Adonis annua</i>	Pheasant's-eye
<i>Adonis flammea</i>	
<i>Consolida orientalis</i>	Larkspur
<i>Clematis vitalba</i>	Traveller's Joy
<i>Clematis flammula</i>	Fragrant Clematis

Scientific name	Common name
<i>Ranunculus bulbatus</i>	
<i>Ranunculus ficaria</i>	Lesser Celandine
<i>Ranunculus psilostachys</i>	
<i>Ranunculus millefoliatus</i>	
<i>Ranunculus muricatus</i>	Rough-fruited Buttercup
Papaveraceae	Poppy Family
<i>Fumaria capreolata</i>	Ramping Fumitory
<i>Fumaria officinalis</i>	Common Fumitory
<i>Papaver dubium</i>	Long-headed Poppy
<i>Papaver rhoeas</i>	Common Poppy
<i>Papaver nigroinctum</i>	
<i>Papaver setiferum</i>	
<i>Papaver somniferum</i>	Opium Poppy
<i>Legousia speculum-veneris</i>	Venus's-looking-glass
Capparidaceae	
<i>Capparis spinosa</i>	Caper
Cruciferae	Cress Family
<i>Aethionema saxatile</i>	Burnt Candytuft
<i>Alysoides utricularia</i>	
<i>Ptilotrichium cylocarpum</i>	
<i>Aubrieta deltoidea</i>	Aubrieta
<i>Brassica cretica</i>	
<i>Biscutella didyma</i>	Biscutella
<i>Capsella bursa-pastoris</i>	Shepherd's Purse
<i>Cardaria draba</i>	Hoary Cress
<i>Cheiranthus cheiri</i>	Wallflower
<i>Crithmum maritimum</i>	Rock Samphire
<i>Clypeola jonthlaspi</i>	
<i>Eruca sativa</i>	Eruca
<i>Erucaria hispanica</i>	Spanish Mustard
<i>Malcolmia flexuosa</i>	Sea Stock
<i>Malcolmia bicolor</i>	
<i>Matthiola incana ssp incana</i>	
<i>Mycelis muralis</i>	
<i>Sinapsis arvensis</i>	Charlock
<i>Sisymbrium officinale</i>	
<i>Thlaspi graecum</i>	
Crassulaceae	Stonecrop Family
<i>Sedum acre</i>	Biting Stonecrop
<i>Sedum tenuifolium</i>	
<i>Sedum album</i>	White Stonecrop
<i>Sedum rubens</i>	Reddish Stonecrop
<i>Umbilicus horizontalis</i>	
<i>Umbilicus rupestris</i>	Navelwort

Scientific name	Common name
Grossulariaceae	
<i>Ribes uva-crispa</i>	Gooseberry
Pittosporaceae	Pittosporum Family
<i>Pittosporum tobira</i>	
Plantanaceae	
<i>Platanus orientalis</i>	Oriental Plane
Rosaceae	Rose Family
<i>Eriobotrya japonica</i>	Japanese Loquat
<i>Prunus dulcis</i>	Almond
<i>Prunus spinosa</i>	Sloe
<i>Prunus cocomilia</i>	
<i>Prunus prostrata</i>	
<i>Pyrus amygdaliformis</i>	Almond-leaved Pear
<i>Rubus sanctus</i>	Bramble
<i>Sarcopoterium spinosum</i>	Thorny Burnet
<i>Sanguisorba minor</i>	Salad Burnet
<i>Potentilla rupestris</i>	Rock Cinquefoil
<i>Potentilla inclinata</i>	
<i>Crataegus pycnoloba</i>	
#	
<i>Crataegus heldrechii</i>	
Leguminosae	Pea Family
<i>Acacia dealbata</i>	
<i>Acacia cyanophylla</i>	
<i>Albizia julibrissin</i>	
<i>Anagyris foetida</i>	Bean Trefoil
<i>Anthyllis vulneraria</i>	Kidney Vetch
<i>Astragalus creticus</i>	
<i>Astragalus parnassi</i>	
<i>Astragalus hamosus</i>	
<i>Astragalus depressus</i>	
<i>Astragalus angustifolius</i>	
<i>Colutea arborescens</i>	Bladder Siena
<i>Calycotome villosa</i>	Hairy Thorny Broom
<i>Cercis siliquastrum</i>	Judas Tree
<i>Coronilla scorpioides</i>	Annual Scorpion Vetch
<i>Dorycnium pentaphyllum</i>	
<i>Genista acanthoclada</i>	Spiny Broom
<i>Hymenocarpus circinnatus</i>	Disc Trefoil
<i>Lathyrus grandiflora</i>	
<i>Lathyrus cicera</i>	
<i>Lathyrus clymenum</i>	
<i>Lathyrus ochrus</i>	
<i>Lathyrus setifolius</i>	
<i>Lathyrus sphaericus</i>	
<i>Medicago arabica</i>	Spotted Medick
<i>Medicago arborea</i>	Tree Medick
<i>Medicago lupulina</i>	Black Medick

Scientific name	Common name
<i>Medicago orbicularis</i>	Large Disc Medick
<i>Medicago rigidula</i>	
<i>Ononis spinosa</i>	
<i>Ononis viscosa</i>	
<i>Onobrychis caput-galli</i>	Cockscomb Sainfoin
<i>Psoralea bituminosa</i>	Pitch Trefoil
<i>Robinia pseudoacacia</i>	False Acacia
<i>Spartium junceum</i>	Spanish Broom
<i>Trifolium campestre</i>	Hop Trefoil
<i>Trifolium repens</i>	White Clover
<i>Trifolium scabrum</i>	
<i>Trifolium stellatum</i>	Starry Clover
<i>Trifolium tomentosum</i>	Woolly Clover
<i>Trifolium uniflorum</i>	
<i>Trigonella balansae</i>	
<i>Vicia lutea</i>	Yellow Vetch
<i>Vicia sativa</i>	Common Vetch
<i>Vicia villosa</i>	Fodder Vetch
Geraniaceae	Geranium Family
<i>Erodium cicutarium</i>	Common Stork's-bill
<i>Erodium gruinum</i>	Long-beaked Stork's-bill
<i>Erodium malacoides</i>	Soft Stork's-bill
<i>Geranium dissectum</i>	Cut-leaved Crane's-bill
<i>Geranium luicdum</i>	Shining Crane's-bill
<i>Geranium molle</i>	Dove's-foot Crane's-bill
<i>Geranium purpureum</i>	Little Robin
<i>Geranium rotundifolium</i>	Round-leaved Crane's-bill
<i>Geranium macrorrhizum</i>	
<i>Geranium tuberosum</i>	Tuberous Geranium
Zygophyllaceae	
<i>Tribulus terrestris</i>	Maltese Cross
Linaceae	Flax Family
<i>Linum arboreum</i>	Shrubby Flax
<i>Linum bienne</i>	Pale Flax
<i>Linum aroanium</i>	
Euphorbiaceae	
<i>Euphorbia dendroides</i>	Tree Spurge
<i>Euphorbia acanthothamnos</i>	Greek Spiny Spurge
<i>Euphorbia characias</i>	Large Mediterranean Spurge
<i>Euphorbia rigida</i>	Narrow-leaved Glauous Spurge
<i>Euphorbia hernariifolia</i>	
<i>Andrachne telephioides</i>	
Rutaceae	Rue Family

Scientific name	Common name
<i>Citrus limon</i>	Lemon
<i>Citrus sinensis</i>	Orange
Meliaceae	
<i>Melia azedarach</i>	Indian Bean Tree
Polygalaceae	Milk-wort Family
<i>Polygala venulosa</i>	Eastern Milkwort
<i>Polygala subuniflora</i>	
<i>Polygala supina</i>	
Anacardiaceae	
<i>Pistacia lentiscus</i>	Mastic Tree
Aceraceae	Maple Family
<i>Acer hyrcanum</i>	Balkan Maple
<i>Acer sempervivens</i>	
Rhamnaceae	Buckthorn Family
<i>Rhamnus alternus</i>	Mediterranean Buckthorn
<i>Rhamnus alpinus</i>	
<i>Rhamnus saxatilis</i>	
Vitaceae	
<i>Vitis vinifera</i>	Vine
Malvaceae	Mallow Family
<i>Hibiscus rosa-sinensis</i>	Hibiscus
<i>Alcea pallida</i>	Eastern Holyhock
<i>Lavatera cretica</i>	Cretan Mallow
<i>Malva cretica</i>	
<i>Malva parviflora</i>	Least Mallow
<i>Malva sylvestris</i>	Common Mallow
Thymelaeaceae	Daphne Family
<i>Daphne oleoides</i>	
<i>Daphne sericea</i>	
<i>Daphne blagayana</i>	
Hypericaceae	
<i>Hypericum empetrifolium</i>	
<i>Hypericum rumeliacum</i>	
Violaceae	Violet Family
<i>Viola chelmea</i>	Chemlos Violet
Cistaceae	Rockrose Family
<i>Cistus incana</i>	
<i>Cistus salvifolius</i>	
<i>Helianthemum nummularium</i>	
<i>Helianthemum apenninum</i>	
<i>Helianthemum canum</i>	

Scientific name	Common name
Cucurbitaceae	
<i>Ecballium elaterium</i>	Squirting Cucumber
Cactaceae	
<i>Opuntia ficus-indica</i>	Prickly Pear
Umbelliferae	Carrot Family
<i>Apium nodiflorum</i>	Fool's Water-cress
<i>Conium maculatum</i>	Hemlock
<i>Bupleurum lancifolium</i>	
<i>Rorippa</i>	
<i>Daucus carota</i>	Wild Carrot
<i>Eryngium amethystinum</i>	
<i>Eryngium campestre</i>	Field Eryngo
<i>Eryngium creticum</i>	Small-headed Blue Eryngo
<i>Ferula communis</i>	Giant Fennel
<i>Foeniculum vulgare</i>	Fennel
<i>Opopanax chironium</i>	
<i>Scandix ectin-veneris</i>	Shepherd's Needle
<i>Smyrniium orphanidis</i>	
<i>Smyrniium perfoliatum</i>	Perfoliate Alexanders
<i>Tordylium apulum</i>	Tordylium
<i>Torilis leptophylla</i>	Upright Hedge-parsley
<i>Torilis purpurea</i>	
Primulaceae	
<i>Lysmachia atropurpurea</i>	
Plumbaginaceae	Thrift Family
<i>Limonium sinuatum</i>	Winged Sea-lavender
<i>Acantholimon androsaceum</i>	Spiny Thrift
Oleaceae	Ash Family
<i>Fraxinus ornus</i>	Manna Ash
<i>Olea europaea</i>	Olive
Molluginaceae	
<i>Gallium verum</i>	Lady's Bedstraw
<i>Galium mollugo</i>	Hedge Bedstraw
<i>Galium rotundifolium</i>	
<i>Valantia hispida</i>	
Convolvulaceae	
<i>Ipomea purpurea</i>	Morning Glory
<i>Convolvulus althaeoides</i>	
<i>Convolvulus cantabrica</i>	
Boraginaceae	
<i>Alkanna graeca</i>	

Scientific name	Common name
<i>Anchusa officinalis</i>	
<i>Cerithe major</i>	
<i>Cerithe retorta</i>	
<i>Cynoglossum creticum</i>	Blue Hound's Tongue
<i>Echium italicum</i>	Pale Bugloss
<i>Echium vulgare</i>	Viper's Bugloss
<i>Helitropium europaeum</i>	Heliotrope
<i>Onosma frutescens</i>	
Verbenaceae	
<i>Verbena officinalis</i>	Vervain
<i>Vitex agnus-castus</i>	Chaste Tree
Labiatae	
<i>Ballota acetabulosa</i>	
<i>Ballota pseudodictamnus</i>	
<i>Lamium garganicum</i>	
<i>Marrubium cylleneum</i>	
<i>Marrubium velutinum</i>	
<i>Micromeria juliana</i>	Micromeria
<i>Micromeria nervosa</i>	
<i>Nepeta parassica</i>	
<i>Phlomis fruticosa</i>	Jerusalem Sage
<i>Phlomis lanata</i>	
<i>Phlomis samia</i>	
<i>Prasium majus</i>	
<i>Prasium majus</i>	Prasium
<i>Rosmarinus officinalis</i>	Rosemary
<i>Salvia fruticosa</i>	Three-leaved Sage
<i>Salvia sclarea</i>	Clary
<i>Salvia verbenacea</i>	Wild Clary
<i>Satureja thymbra</i>	
<i>Sideritis clandestina</i>	
<i>Sideritis curvidens</i>	
<i>Stachys cretica</i>	
<i>Stachys spinosa</i>	
<i>Stachys swainsonii</i>	
<i>Teucrium polium</i>	
<i>Thymus capitatus</i>	Shrubby Thyme
<i>Thymus longicaulis</i>	
<i>Thymus praecox</i>	
<i>Thymus pulegioides</i>	
<i>Mentha sp</i>	
Solanaceae	Potato Family
<i>Hyoscyamus albus</i>	White Henbane
<i>Nicotiana glauca</i>	Shrub Tobacco
<i>Solanum nigrum</i>	Black Nightshade
<i>Datura stamonium</i>	Thorn-apple
Scrophulariaceae	Figwort Family
<i>Bellardia trixago</i>	Bellardia
<i>Cymbalaria muralis</i>	Ivy-leaved Toadflax
<i>Misopates orontium</i>	Lesser Snapdragon

Scientific name	Common name
<i>Parentucellia latifolia</i>	Southern Bartsia
<i>Parentucellia viscosa</i>	Yellow Bartsia
<i>Scrophularia lucida</i>	
<i>Chaenorhinum minus</i>	
<i>Verbascum olympicum</i>	
<i>Verbascum sinuatum</i>	
<i>Verbascum delphicum</i>	
<i>Veronica anagallis-aquatica</i>	Blue Water Speedwell
<i>Veronica cymbalaria</i>	Cymbalaria-leaved Speedwell
<i>Veronica hederifolia</i>	Ivy-leaved Speedwell
<i>Veronica serpyllifolia</i>	Thyme-leaved Speedwell
Acanthaceae	
<i>Acanthus spinosus</i>	Spiny Bear's Breach
Orobanchaceae	Broomrape Family
<i>Orobanche rapum-genistea</i>	
<i>Orobanche minor</i>	
<i>Orobanche alba</i>	
<i>Orobanche gracilis</i>	
Plantaginaceae	Plantain Family
<i>Plantago coronopus</i>	Buck's-horn Plantain
<i>Plantago lagopus</i>	
<i>Plantago lanceolata</i>	Ribwort Plantain
<i>Plantago major</i>	Greater Plantain
Caprifoliaceae	
<i>Sambucus nigra</i>	
<i>Sambucus ebulus</i>	
<i>Lonicera xylosteum</i>	
<i>Lonicera periclymenum</i>	
Valerianaceae	Valerian Family
<i>Centranthus calcitrapa</i>	Annual Valerian
<i>Centranthus ruber</i>	Red Valerian
<i>Valeriana officinalis</i>	Common Valerian
<i>Valeriana crinii</i>	
Dipsacaceae	
<i>Morina persica</i>	
<i>Centurea pelia</i>	
<i>Scabiosa crenata</i>	
<i>Knautia integrifolia</i>	
<i>Tremastelma palaestinum</i>	
Campanulaceae	
<i>Campanula spathulata</i>	
<i>Campanula rupicola</i>	
<i>Campanula erinis</i>	

Scientific name	Common name
<i>Campanula topaliana</i>	
<i>Campanula aizoon</i>	
<i>Legousia hybrida</i>	
<i>Legousia speculum-veneris</i>	
Compositae	
<i>Bellis annua</i>	
<i>Bellis sylvestris</i>	
<i>Phagnalon graecum</i>	
<i>Dittrichia viscosa</i>	
<i>Pallens spinosa</i>	
<i>Anthemis arvensis</i>	
<i>Achillia umbellata</i>	
<i>Doronicum columnae</i>	
<i>Senecio thapsoides</i>	
<i>Echinops sphaerocephalus</i>	
<i>Xeranthum annuum</i>	
<i>Jurinea mollis</i>	
<i>Carduus pycnocephalus</i>	
<i>Carduus tmoleus</i>	
<i>Notobasis syriaca</i>	
<i>Cirsium candelabrum</i>	
<i>Crupina crupinastrum</i>	
<i>Centurea solstitialis</i>	
<i>Centurea salonitana</i>	
<i>Centurea calcitrapa</i>	
<i>Centurea cyanus</i>	
<i>Scolymus hispanicus</i>	
<i>Scolymus maculatus</i>	
<i>Cichorium intybus</i>	
<i>Urospermum dalechampii</i>	
<i>Tragopogon crocifera</i>	
<i>Tragopogon balcanicus</i>	
<i>Tragopogon pratensis</i>	
<i>Scorzonera austriaca</i>	
<i>Scorzonera mollis</i>	
<i>Rhagadoilus stellatus</i>	
Nyctaginaceae	Bougainvillea Family
<i>Bougainvillea glabra</i>	Bougainvillea
Oxalidaceae	Sorrel Family
<i>Oxalis pes-caprae</i>	Bermuda Buttercup
Polygonaceae	Dock Family
<i>Rumex acetosella</i>	Sheep's Sorrel
<i>Rumex bucephalophorus</i>	
<i>Rumex cyprius</i>	
Monocotyledones	

Scientific name	Common name
Alismataceae	
<i>Alisma plantago-aquatica</i>	
Liliaceae	
<i>Colchicum pusillum</i>	
<i>Anthericum lilago</i>	
<i>Allium sphaerocephalon</i>	
<i>Allium atropurpureum</i>	
<i>Allium ampeloprasum</i>	
<i>Ornithogalum umbellatum</i>	
<i>Muscari comosum</i>	
<i>Asparagus acutifolius</i>	
Graminae	Grass Family
<i>Arundo donax</i>	Giant Reed
<i>Aegilops geniculata</i>	
<i>Lamarkia aurea</i>	
<i>Avena sterilis</i>	Winter Wild Oat
<i>Briza maxima</i>	Large Quaking Grass
<i>Bromus sterilis</i>	Sterile Brome
<i>Cynodon dactylon</i>	Bermuda Grass
<i>Cynosurus echinatus</i>	Rough Dog's-tail
<i>Hordeum murinum</i>	Wall Barley
<i>Lagurus ovatus</i>	Hare's Tail
<i>Lolium temulentum</i>	Darnel
<i>Gastridium ventricosum</i>	Nit Grass
<i>Stipa pennata</i>	
<i>Phragmites australis</i>	Reed
<i>Poa annua</i>	Annual Meadow-grass
Iridaceae	Iris Family
<i>Gladiolus italicus</i>	Wild Gladiolus
<i>Gynandriris sisyrinchium</i>	Barbary Nut
<i>Iris pseudocorus</i>	Yellow Flag
Orchidaceae	Orchid Family
<i>Epipactis subclausa</i> type	
<i>Epipactis helleborine</i>	Broad-leaved Helleborine
<i>Epipactis greuteri</i> type	
<i>Cephalanthera damasonium</i>	White Helleborine
<i>Cephalanthera rubra</i>	Red Helleborine
<i>Cephalanthera longifolia</i>	Narrow-leaved Helleborine
<i>Limodorum abortivum</i>	
<i>Aceras anthropophorum</i>	Man Orchid
<i>Neotinea maculata</i>	Dense-flowered Orchid
<i>Orchis anatolica</i>	Anatolian Orchid

Scientific name	Common name
<i>Orchis pinetorum</i>	
<i>Orchis palustris</i>	Bog Orchid
<i>Orchis purpurea</i>	Lady Orchid

Additional species

Dragonflies

Scientific name	
Family Calopterygidae	
<i>Calopteryx virgo</i>	Beautiful Demoiselle
Family Lestidae	
<i>Lestes viridis</i>	
<i>Lestes barbarus</i>	
<i>Lestes macrostigma</i>	
Family Platycnemididae	
<i>Platycnemis pennipes</i>	White-legged Damselfly
Family Coenagrionidae	
<i>Coenagrion puella</i>	Azure Damselfly
<i>Cercion lindeni</i>	
Family Aeshnidae	
<i>Aeshna affinis</i>	
<i>Anax imperator</i>	Emperor Dragonfly
<i>Caliaschna microstigma</i>	
Family Cordulegastridae	
<i>Cordulegaster picta</i>	Golden-ringed Dragonfly sp
<i>Cordulegaster bidentata</i>	Golden-ringed Dragonfly sp
Family Libellulidae	
<i>Libellula fulva</i>	Scarce Chaser
<i>Libellula depressa</i>	Broad-bodied Chaser
<i>Orthetrum ramburi</i>	
<i>Sympetrum meridionale</i>	Meditereanean Darter

Grasshoppers

Scientific name	
Family Acrididae	
<i>Calliptamus italicus</i>	Abundant with red wings "Pest"
<i>Anacridium aegyptium</i>	
<i>Acrida ungarica</i>	
<i>Tylopsis lilifolia</i>	
<i>Leptophyes punctatissima</i>	

Scientific name	
<i>Tettigonia viridissima</i>	
<i>Metrioptera roeselii</i> type	
<i>Saga pedo</i>	
Manatids	
<i>Mantis religiosa</i>	
Antlions	
<i>Palpares libelluloides</i>	
<i>Euroleon nostras</i>	
<i>Mymeleon</i> sp	
Ascalaphids	
<i>Libelloides</i> sp	
<i>Mantispa styriaca</i>	
<i>Nemoptera bipennis</i>	

Reptiles and amphibians

Scientific name	Common name
<i>Testudo marginata</i>	Marginated Tortoise
<i>Bufo bufo</i>	Common Toad
<i>Rana graeca</i>	Balkan Stream Frog
<i>Cyrtopodion kotschy</i>	Kotschy's Gecko
<i>Lacerta trilineata</i>	Balkan Green Lizard
<i>Podarcis muralis</i>	common Wall Lizard
<i>Lacerta praticola</i>	Meadow Lizard
<i>Podarcis peloponnesiaca</i>	Peloponnese Wall Lizard
<i>Coluber gemonensis</i>	Balkan Whip Snake

Moth list

Karsholt & Razowski log no.	Taxon	Authority	Bradley & Fletcher log no.	Vernacular	UK Status	Notes
1355	<i>Yponomeuta sedella</i>	Treitschke, 1833	431		Notable/Nb
